

THE PAST PUPILS' ASSOCIATION OF ST. BRIDGET'S CONVENT

SPECTAMUR AGENDA

CIRCULAR 1 | APRIL 2024

Dear Members,

I am honored and happy to assume the role of President of the Past Pupils Association. As a former student of St. Brigid's Convent, I understand the importance of our Association and the impact we can have on the future of our alma mater.

I believe that our association plays a role in maintaining the traditions and values of our school while also supporting the current students. I am committed to promoting unity and cooperation among our members and believe together we can create opportunities for networking, personal development and growth.

My Committee and I hope to increase our association's membership and also engage with past pupils who may have lost touch with the school. It is important for us to continue to involve all past pupils in the activities and initiatives of our association and we are looking forward to organize events, fundraisers, etc. that will benefit both our alumni and our school.

I encourage all of you to reach out with your ideas, feedback, and suggestions. Together, we can build a stronger and more vibrant Past Pupils Association that will continue to make a positive impact for many years to come.

Thank you for your support, and I look forward to serving as your president.

Yours sincerely,

Lalanee Perera
President
