A MESSAGE FROM OUR PRESIDENT

Dear Bridgetines,

As we begin a new chapter together, I want to sincerely thank you for your incredible support of the Past Pupils' Association over the past year. Your generosity and encouragement has been the driving force behind our success. A special thank you to all who contributed to our Smart Board Drive—your support is helping to enhance digital learning at our beloved alma mater.

We have an eventful year ahead, filled with outreach projects, health clinics, reunions and celebrations that bring our Bridgetine family together. I also warmly welcome our new committee members—dedicated past pupils committed to giving their valuable time and effort to serve the Association and School Community.

To stay better connected, we have launched an official WhatsApp group for all members. Please join us and stay engaged throughout the year.

Let's continue to give back and carry the Spirit of Green and White with pride.

A PRELUDE TO EASTER

Organised by the Past Pupils' Association, the Collegiate School Choir, under the expert direction of Mrs. Priyanthi Van Dort, presented a Lenten Choral Performance at the Collegiate School Auditorium for the second consecutive year. The event was well attended, drawing a supportive audience that gathered to experience a soulful musical journey enriched by a special reflection from Rev. Fr. Jude Nixon. The performance beautifully captured the essence of the Paschal Mystery, filled with Spiritual Melodies and moments of deep Contemplation. It uplifted hearts and minds while contributing to a worthy cause—proceeds being directed towards PPA Outreach Activities

SBC HEALTH CLINIC

2025  Taking care of YOU!

The SBC Health Clinic was held at St. John's Eudes Hall, St. Bridget's Convent, as a meaningful initiative to provide free medical consultations and screenings to the Present Tutorial and Non-Academic Staff, of the Collegiate, Primary, and Montessori Schools, and the Sisters of the Community. With the generous support of Doctors from the Bridgetine Community and External Partners, the clinic offered General OPD, Cardiology, ENT, Gastroenterology, Dental, Dermatology, Eye, and Cancer Screening and more. This was heartfelt effort to give back to those who serve our school with unwavering dedication and care.
