"The fruits of labour are the sweetest of all pleasures." - Luc de Vauvenargues

We come to the end of our tenure with a deep sense of satisfaction. Our efforts have been richly rewarded through the enthusiastic participation of our members, the knowledge we have helped inculcate into our school children and teachers, the tangible school improvements we leave behind for the posterity of the young Bridgetines, as well as the smiles of our corporate social responsibility beneficiaries.

Of our four focus areas – our member activities – all six of them, drew in unprecedented participation and were much enjoyed by all. The student and teacher development programs benefitted the entire school from the Montessori to the Primary school to the Collegiate school. The Library upgrading projects were continued for the Montessori school, the Primary school and the Collegiate school. And of course the culmination of the School projects was the presentation of an asphalt surfaced Netball court to the Collegiate school. Our Corporate Social Responsibility (CSR) project focused on the Community, the Environment and the Employees. The Community project centered on two under-privileged schools in Perakwatana and Kuliapitiya. Whilst providing assistance to these two schools through funds raised by us, we record with much fulfilment our facilitation of two high value projects via the Fair Trade Committee of Serendipol (Pvt) Ltd.

Keeping abreast of the e-generation we went electronic with much of our communication. Our E-mail database is continuously growing and the PPA website is fully updated and a comprehensive repository of PPA information, whilst the PPA facebook page is also extremely popular with all ages of Bridgetines. Our member database was also upgraded with a new software application, for easy access of member information.

Whilst engaging in the above activities, we as a committee participated in all school activities for which we were extended invitations, and also assisted the school in a multitude of other matters where our assistance was requested. We also actively interacted with Associations abroad ensuring that the Bridgetine network around the globe keeps growing strongly, whilst mustering financial support from them for the completion of the Primary school and Collegiate school Library upgrading that was initiated in 2013.

So as we sign off, waving the Green and White flag forever, we take this opportunity to wish the incoming Executive committee all the very best in their endeavors.

MEMBER EVENTS

Bridgetine Soirée - 1st December 2013

The last event for the year 2013 was the Bridgetine Soirée, an evening of song, dance and comedy much enjoyed by the Bridgetines and their families. This was held on December 1st heralding in the Christmas season with a bang.

The Cinnamon Lakeside Ballroom was the setting for this exciting evening of entertainment.

Thanks to the generosity of many sponsors, all guests were provided with 'Give aways' consisting of a miscellany of items upon entry, much to their surprise and delight. Adding lustre to the occasion was the simple but elegant décor, in black and gold, complemented by the same combination of colours worn by the committee members and also the guests. Wine, with compliments of the house, added much to lift the spirits of the guests, in more ways than one.

Scintillating music by the group BLACK, which name incidentally totally tied in with the theme colours, started off the evening, which even in the early hours saw the feisty Bridgetines on the floor. Several entertainment items were on the agenda to provide variety and to cater to both the young and active and the not so young and more sedentary guests. A rip roaring performance by the veteran comedian cum actor Mr Wilson Gunaratne had the audience in stitches. His impersonations of public personalities and also those of different nationalities were absolutely spot on. The one and only Mignone Fernando, a proud Bridgetine, brought back many memories with her melodious singing. Indu Dharmasena and her team entertained the crowd with a side splitting skit, set in a local scenario. Ronnie Leitch in his inimitable style was able to hold the crowd with his witty comments and maintain a crowded dance floor with his comic verses set in Baila rhythm.

A raffle draw was held with three prizes being given. The much coveted first prize was a return air ticket to Bangkok. The finger food and drink served at the tables did much to satisfy the appetites of the hungry guests, and was later followed by a heartier Mongolian barbeque. The Soirée continued well past midnight with unflagging vigour displayed by the Bridgetines. From the feedback obtained, both written and verbal, the event was a resounding success.

St. Bridget's Day - 1st February 2014

February 1st saw the Bridgetines gathered together at the school chapel to offer prayers for the school and all religious, teachers, students and staff associated with the school, both past and present. The altar was beautifully decorated with pristine white flowers. The celebrant and preacher was the much respected Rev. Fr Neil Karunaratne. Contempo, the past Bridgetines' choir added much lustre to the service with their melodious harmony in song. The mass was followed by an evening of fellowship at the Primary School grounds.

The presence of a large number of members, Rev. Sisters and several Past Presidents was indeed most gratifying. The evening commenced with a welcome address by the President, Dr. Nirmala

Pieris who also gave a brief review of the past activities of the Association for the benefit of the members. The venue was beautifully set out with little fairy lights, and chairs and tables bedecked in

green and white. Although heavy skies portended rain, much to the consternation of the organizers, St. Joseph majestically standing high with an umbrella, did the needful and kept faith with the Bridgetines, staving off the rain, keeping the evening cool and dry. After the welcome drink of iced coffee and delicious chocolate cake, fun and games were part of the fellowship where both young and not so young avidly participated. A scrumptious dinner was served to the members fairly early, to make time for the inevitable dancing which is an indispensable part of any Bridgetine function. An enjoyable evening was the sentiment expressed by many of those present.

Rosemarie Alles, Sherene & Nadia Alles Fernandopulle - *Thank you for organising such a lovely St. Bridget's Day celebration. We enjoyed the evening. God Bless You and your committee for your efforts.*

Upekha K. Weerawardana - *Thank you to aunty Nirmala & team for putting together a fabulous evening... as always.*

Suzette de Alwis - *A very big thank you for the excellent arrangements for St Bridget's day this year. This opportunity to meet old friends, teachers and Rev. Sisters was very much appreciated.*

Rajkumari Amarasekera - *Thanks for the enjoyable and very well organised celebration. Thank you for all the lovely memories of the functions I attended and of course our schooldays as classmates.*

It is with much sorrow and regret that we record the tragic death of our dear friend, schoolmate and PPA member, Mel Gunasekera. Mel was the Assistant Vice President at Fitch Ratings Lanka and a senior business journalist. We grieve for her untimely and brutal death, and record that the last function she was seen at was the St Bridget's Day celebration. The many 'if only' surrounding her death are only too sad to contemplate. Mel will be sorrowfully missed by her schoolmates and also members of 'Contempo', the past pupils' choir of which she was an active member. We convey our heartfelt sympathies to her family. Mel was truly a role model for all of us whose lives she touched. ... May she rest in eternal peace.

*Those we love don't go away,
They walk beside us every day,
Unseen, unheard, but always near,
Still loved, still missed and very dear.*

Netball Fiesta - 1st March 2014

The final event organized by the incumbent committee during their term of office, was the Netball Fiesta. The event was a momentous one for the Association as it marked the handing over of an upgraded and reconstructed asphalt surfaced Netball court to the school. Much enthusiasm and keenness was displayed by netballers of all ages, irrespective of the fact that most of them had not played the game after leaving school. As befitting the religious practices of the Convent, the programme for the day commenced with a blessing of the court by Rev Fr. Gehan Gunatilleke. The official handing over of the Court to the school was done with the symbolic passing of two netballs by the President to Rev. Sr. Solange Fernando and Rev. Sr. Shermila Jayawardena.

The presence of Ms Cynthia Rasquinho, the school Sports Teacher from 1948 - 1977 as a Special Guest, was indeed a highlight of the event. The attendance of nine Past

Presidents of the PPA was much appreciated as was the presence of the Presidents of the Past Pupils' Associations of all four schools invited to participate viz. Bishops College, Good Shepherd Convent, Kotahena, Holy Family Convent, Bambalapitiya and Ladies College, signifying their friendship and support. Mention must also be made of the instant Facebook updates that kept the Bridgetines around the globe well informed and the Facebook competitions prior to the event which again helped to build up the pre-event excitement and anticipation.

The winners of the under 35 age group was Melizan House, over 35 age group Griaux House, and over 50 Coudert House. Exhibition matches were also played between the winners of the over 35 group and the present students, and a over 50s mixed group with the Rev. Sisters. Several prizes and appreciation awards were given.

All in all it was a good day of fun and frolic with a valuable contribution to the school too. The Netball Fiesta was the swan song of the 2013/14 PPA committee who through its term, strived hard to provide enjoyable and memorable moments to its membership..... **Adieu**
